

FALL 2025 IMPACT REPORT

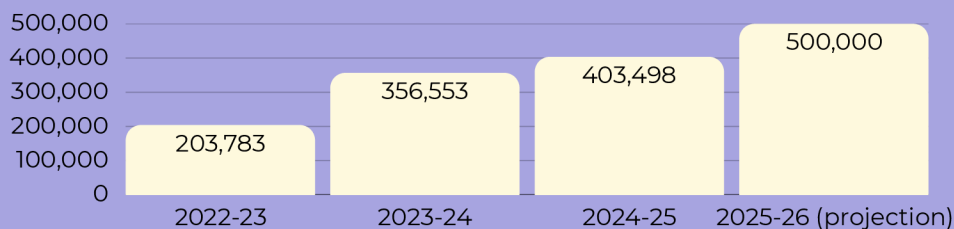

Fall 2025 Highlights

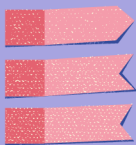

BookLoop students took home over 250,000 books in Fall 2025 semester for nightly reading!

Expanded to after-school programs, piloting parental engagement with book access in Head Start preschool classrooms, and continued partnerships with schools and nonprofits to expand book access via partnerships and purchasing assistance.

Annual Number of Books Taken Home

About BookLoop

- 1 Over 8,500 students served
- 2 Books available in 30 languages & counting!
- 3 Over 90% of students enrolled in Title I schools
- 4 Effective scaling - Since 2022, doubled students served while budget increased only 41%

Aligned With the Science of Reading

BookLoop's work is grounded in peer-reviewed, evidence-based literature. By combining physical books for reading interest and stamina while deepening skills in fluency, vocabulary, and comprehension, BookLoop is a force multiplier when used with evidence-based science of reading curriculum.
